

HOW TO PAINT

1 After cleaning the pottery, use the paintbrush to paint on it.

2 Dry the pottery for 24 hours after you have finished painting.

3 Your own unique pottery is ok and bright.

DO'S

1. Wear apron before you start painting.
2. Think before you paint and draw.
3. Use a table cloth to cover the table before you start painting.
4. Close the lid of colour container after you use it.
5. Wash the paintbrush before you paint the other colour and wash thoroughly after use.
