

Eleganter Australia Pty Ltd

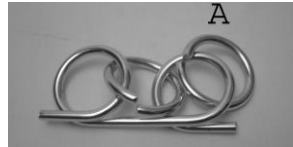

MG039 Olympic Ring

Objection:

Remove the ring A from the puzzle

Degree of difficulty:

4 out of 9

Adjust the angle so the ring A can pass the other ring as photo.

Move ring A to the bottom of the puzzle as photo.

Move ring A apart from the other ring as photo.

Now you have ring A successfully past the other ring.

Adjust the angle so the ring A can pass through the gap.

Bingo, now try to put it back before you forget.
